COMPANY PROFILE

Liwida Electric Sdn Bhd established since 1986 as a trading company in Malaysia. In 2002, we have diversified and started our manufacturing site - LWD Industry Sdn Bhd. Today we are a global producer of wall switches, extension sockets and electrical accessories & appliances. With this expansion, we are capable to produce own line of electrical parts and accessories and also provide excellent OEM service.

Our main products are wall switches & sockets, extension sockets, 13A & 15A plug top, emergency light, cable box, conduit accessories, etc. All our products are complied with British Standard and being tested & approved by Sirim Malaysia. Our market covers throughout Asia, The Middle East and Africa.

We strongly believe that with our professionalism and stringent control in quality, we only provide reliable, safe and quality products to all our customers in the world.
